

Join the SeaAgri Distributor Program and Earn Additional Income!

SeaAgri is offering distributor opportunities throughout the United States and Canada. If you are looking for an exciting way to increase your income and assist SeaAgri in its mission to promote and supply SEA-90 to gardeners and farmers globally, we want to hear from you. There are a limited number of distributorships being offered and require that you have incorporated SEA-90 into your fertilization and mineral programs with success, or are a like-minded retail store that is experiencing consumer demand for SEA-90.

Here's how the distributorship program works:

Requirements:

- Knowledge and/or personal experience with SEA-90 and its applications for farm and garden programs.
- Retail store that is experiencing a demand for SEA-90.
- A commitment to purchase a minimum of three tons (120 fifty lb bags) per 12 month period.
- Pay \$250 and sign SeaAgri, inc's Distributor Agreement.
- Must have an email and/or fax ability.

Benefits:

- Earn additional income for your family.
- Designated four-county territory—distributor county of residence and three surrounding counties.
- Purchase SEA-90 at discounted pricing.
- Recognition on the SeaAgri website in order to promote your business.
- Become a leader in your community promoting natural sustainable farming and gardening .
- Help your customers reduce costs while increasing productivity and income.
- Improve the nutrient density of the food produced in your area.
- Receive a startup distributor package that includes an initial supply of brochures, promotional items, and two books relating to the use of SEA-90: Sea Energy Agriculture and Fertility From the Ocean Deep.
- Telephone customer support service.
